Pantry Pal

By: Team Blue

Name: Rick Roberson

Location: San Francisco, California

Age: 35 years old

Occupation: Data analyst

Tech experience level: Quite Advanced (Grew up using technological devices and is very accustomed to them)

Works from home, occasionally goes to his office for meetings but usually stays home.

Goals:

- Reduce food waste
- Stop buying duplicate pantry items
- Stay within monthly grocery budget
- Keep kitchen organized

Challenges:

- Forgetting what he already has at home
- Expired food in the back of cabinets
- Disorganized pantry and fridge
- No system for tracking quantities

Tools They Currently Use:

- Notes app for grocery lists
- Paper list on fridge
- Excel occasionally for budgeting
- Grocery store apps
- Calendar reminders

Their Success Is Measured By:

- Staying under grocery budget
- Throwing away less expired food
- Fewer last-minute grocery runs

Preferred Method of Communication:

- Mobile apps
- Email reminders
- Simple dashboards

Motivations:

- Save money
- Reduce stress
- Feel more organized
- Live more sustainably
